Outdoor Dinning

Ellements outdoor dining furniture is best suited to convert decks, sit-outs, verandahs, balconies or gardens into functional outdoor dining spaces. Offered in multi-seating options of square, round and rectangular configurations, this dining range is perfect for restaurants, hotels or private residences. All weather proof and ultra low maintenance makes our furniture the absolute choice for outdoor use.

Outdoor Seating & Sofas

Ellements outdoor seating and sofas come in a choice of classic, contemporary or modern all-in-ones, single, twin, three seat and modular set options. This range offers an abundance of design combinations to suit different spaces when combined with center and side tables. Upholstered with the finest cushions and outdoor fabrics, Ellements outdoor seating delivers elegance & luxury to any space.

Patio & Balcony Furniture

Ellements patio furniture turns sit-outs, balconies, verandahs or just about any outdoor space into havens to relax or entertain. Compact combinations of single chairs and tables can be easily moved around to outfit outdoor areas making them practical and convenient to use. Unquestionably low maintenance and hassle free for years of great outdoor living, this range wonderfully extends indoor spaces into your outdoors

Poolside Beds & Sun Loungers

Ellements presents an exclusive range of ergonomically designed pool loungers and sunbeds that exhibit luxury and splendor at hotels, resorts and private residences. A choice of loungers, recliners with ottoman extensions and sunbeds with hoods enhance and complete any outdoor space. Complemented with superior quality upholstery and premium outdoor fabrics for hours of absolute leisure.

Umbrellas & Gazebos

Manufactured from the highest-grade materials, Ellements poolside and garden umbrellas are built for high durability in hot and high wind conditions. Our umbrellas come with high tensile aluminum structural frames combined with stainless steel tensioner and HDPE components making them sturdy and easy to set up. Adorned in tear and fade-resistant fabrics to tackle gusty winds these umbrellas add grandeur to all outdoor spaces.

Bars & Accessories

Ellements range of outdoor bars and accessories are the perfect choice to transform outdoor spaces into an extension of your lifestyle. Take your pick of round, square and rectangular high bars to suit any space or style. To accessorize or complement design, choose from compact range of trolleys, consoles, towel stands and service counters to transform spaces in ones of high utility.

Wicker Furniture

- Furniture frames are virgin extruded T5 hardness aluminium powder coated for anti-corrosion
- UV stabilized virgin synthetic to avoid fading of colour and cracking of wicker
- Furniture is handcrafted and hand woven
- 8mm thick toughened glass for all tops.

outdoor fabric

Premium outdoor furniture deserves nothing but the best when it comes to outdoor fabrics, which is why Ellements offers Sunbrella, the world's No:1 fabric as the preferred choice to dress up our range.

Sunbrella fabrics are made from the toughest acrylic fibers, solution dyed to resist stains and deterioration with UV exposure. Which means they will not fade or wash out, ensuring they remain bright and colourful for years.
