100% Solution Dyed Acrylic

In Agora[®] fabrics, colour pigments impregnate the polymer dissolution before the fibre is formed. That way, the yarn is dyed to the core, conferring an excellent colour fastness and exceptional behaviour in outdoor conditions and in the presence of micro-organisms. The strong link between the carbon is not destroyed, so the colour does not change with the passage of time.

	LISO	ABACO	LINES	RAYURE	FLAME
Width	160 cm				
Weight	260 g/m ²				280 g/m ²
Lenght of Roll	50 m				
Rapport	/	15 cm	10 cm	15,5 cm	/
Finish	Water Repellent Hidrófugo		Anti-Stain Antimanchas		
Colour Fastness to Light	7/8 UNE EN ISO 105-B02:2014				
Flammability	UNE 1021 PART 1 BS 5852-0 Cigarette Test Cal 117, NFPA 260				
Uses					

Sensitive values of tolerance +/- 5%.

Easy to Clean

Every Agora[®] solution dyed acrylic fabric collection offers an exceptional combination of strength and functionality. The fabrics are designed with the intention to be strong, durable and resistant. The water resistant finishing further improves the performance characteristics so that the fabrics are stain repellent, easy to clean and require a minimal but constant maintenance.

Clean Agora[®] fabrics with neutral soap in lukewarm water: we recommend to clean at a temperature of no more than 30°.

Do not dry-clean.

Iron at low temperature.

Air dry: do not use a clothes dryer.

Bleach may be used, in moderation: chlorine bleach will not affect the coloration of the solution-dyed acrylic fiber and it is for this reason acceptable for stubborn stain removal, including mildew. Chlorine bleach, strong chemicals or detergents will eventually affect the strength of any fiber or cloth, so it is better to use a diluted solution of one part bleach to twenty parts water.

Qualities

The Agora warranty covers the fabric becoming unserviceable as a result of loss of colour or strength from normal exposure conditions, including sunlight, mildew, rot and atmospheric chemicals, when properly installed, used and maintained. The warranty does not cover labour and installation costs supplied by the dealer. The warranty neither applies against deterioration of any kind due to abusive use, accidental burns, negligence or perforations.
